

**REPORT/RECOMMENDATION TO THE BOARD OF SUPERVISORS
OF SAN BERNARDINO COUNTY, CALIFORNIA
AND RECORD OF ACTION**

20

August 5, 2003

FROM: **KEN A. MILLER**, Director
Department of Public Works - **Transportation**

SUBJECT: **CONTRACT WITH SULLY-MILLER CONTRACTING COMPANY FOR PAVEMENT
REHABILITATION ON VARIOUS ROADS IN THE SPRING VALLEY LAKE AREA**

RECOMMENDATION: (1) Award a contract to Sully-Miller Contracting Company of Victorville in the amount of \$947,950 for pavement rehabilitation on various roads in the Spring Valley Lake area; (2) Authorize a contingency fund in the amount of \$94,795 and authorize the Director of Public Works to execute necessary changes in the contract, and; (3) Authorize the Director of Public Works to execute the Notice of Completion after acceptance of the work.

BACKGROUND INFORMATION: The existing pavement on various roads in the Spring Valley Lake area has deteriorated and is in need of rehabilitation. Accordingly, the Department prepared plans for a project to rehabilitate the pavement by 1) crack sealing and overlaying with SC3000 asphalt concrete; 2) cold planing and overlaying with rubberized or Type A asphalt concrete; 3) removing and replacing with Type A asphalt concrete; or, 4) cold-in-place recycling and placing a rubberized slurry seal.

On July 30, 2002, the Board approved the plans and specifications and authorized advertising for bids for this project. Four bid proposals were received on June 26, 2003, ranging from \$947,950 to \$1,058,857. The lowest bid was by Sully-Miller Contracting Company at \$947,950, followed by Cooley Construction, Inc. at \$959,854 and Yeager Skanska, Inc. at \$1,033,333. The engineer's estimate was \$1,061,115. The Department has reviewed the proposals received and determined that they are responsive. Public Contract Code Section 20128 requires the Board to award the contract to the lowest responsible bidder and Section 20142 allows the Board to authorize the Director of Public Works to order changes in construction contracts. In accordance with Section 20142, cumulative changes in excess of \$59,897 will require Board approval. Following Board approval, construction on the project should commence in late-August and be completed by mid-November 2003.

REVIEW BY OTHERS: This item was reviewed by Deputy County Counsel Charles S. Scolastico on July 24, 2003 and by the County Administrative Office (Tom Forster, Administrative Analyst) on July 24, 2003.

FINANCIAL IMPACT: The cost of this contract is \$947,950. Appropriations for this contract are included in the Fiscal Year 2003/2004 Transportation budget (SWV-TRA-TRA-14T01147, RWV-TRA-TRA-15TA1336, SAA-TRA-TRA-15H13450 & SWV-TRA-TRA-15T01158).

COST REDUCTION REVIEW: The County Administrative Office has reviewed this agenda item and concurs with the Department's recommendation based on the cost of these needed repairs being financed through funds included in the Department's FY 2003/04 budget that are not in jeopardy from State impacts.

SUPERVISORIAL DISTRICT(S): 1ST

PRESENTER: Ken A. Miller, 387-7906
